# PRESS RELEASE

# **Creator Capital appoints new President and C.E.O.**

HAMILTON, BERMUDA, August 8, 2006 - CREATOR CAPITAL LIMITED (CTORF:OTCBB) ("CCL" or the "Company") announces the resignation of Mr Alexander Downie as a Director and CCL's President and C.E.O. CCL regrets Mr Downie's decision - his resignation is the result of personal reasons relating to family commitments. CCL will continue to benefit from Mr Downie's vast knowledge and expertise in the IPTV field in his capacity as a Consultant to the company.

Mr David Borg has agreed to become a Director of CCL and to assume the office of President and C.E.O. Mr Borg has also agreed to become a Director of CCL's wholly owned subsidiary ETV on Demand, as well as its President and C.E.O. Stock Options have been granted to Mr Borg ranging from US\$0.35 – US\$2.00 per share to be vested over a two and a half year period beginning in September 2006.

An entertainment entrepreneur and financier, Mr Borg brings over 20 years experience in various executive positions and as key financier in the electronics and entertainment industries to CCL. Mr Borg has founded a movie distribution company, Telco and two independent film production companies. During the late 1990's, Mr Borg was a Production Executive at Alpine Pictures. He later joined Los Angeles based, TAG Entertainment, where he functioned as a Production Executive producing award winning feature films for the family. His roles as Executive Producer, in conjunction with his strong film background and successful ventures in the entertainment world have granted him a keen understanding of online media companies. He has a proven ability to capture user interest and to exploit the wave of rich media to emotionally connect with and powerfully entertain today's demanding worldwide audience.

CCL welcomes Mr Borg's depth of understanding of the entertainment and electronic industry and the foresight to see CCL capitalize on the evolution of televisions on the internet (IPTV).

#### **ABOUT CREATOR CAPITAL**

Creator Capital Ltd., <a href="www.creatorcapital.co">www.creatorcapital.co</a> a Bermuda exempted company, along with Harrah's Entertainment Inc., introduced the in-flight interactive gaming experience to international airline passengers as a method of creating additional revenues for airlines in 1998. Creator is a leading provider of interactive in-flight gaming entertainment software and services. The company creates fun, exciting experiences for airline passengers by offering both PC amusement games (Sky Play) and onboard gaming entertainment (Sky Games) through airline multi-channel, interactive in-seat systems.

With the acquisition of ETV ON DEMAND in April of 2006, CCL now has the technology base to offer a more complete array of compelling content directly to the subscriber bases of the world's largest global telecommunications, satellite, and Internet Service providers—all through full-screen high-resolution broadband television.
